David Brooks is the most popular columnist of the most influential newspaper on Earth, The New York Times.

Just after the release of a book called The Chosen, by James Karabel, Brooks wrote a column about it titled, "The Chosen: Getting In." In the first paragraph he writes these words:

...A woman came up to me after one of my book talks and said, "You realize what you're talking about is the Jews taking over America."

My eyes bugged out, but then I realized that she was Jewish and she knew I was, too, and between us we could acknowledge there's a lot of truth in that statement.

For the Jews were the vanguard of a social movement that over the course of the 20th century transformed the American university system and the nature of the American elite.

Excerpt from the first chapter of: The Zionist Conspiracy: The Ultimate Racist Threat to America and All Mankind by Dr. David Duke.

No one does it better than Brother Nathanael!

The Jewish problem we face in America has destroyed the country I love.

The precious human being we call Brother Nathanael has the answer. He has provided the Fact Sheet that says Jews control America.

Yes he is right. Jews control money (Jews also have stolen our money in addition to perpetrating other crimes on Americans as well as on other countries and their citizens), Jews control media (and the Jew controlled media lies to Americans to keep them in the dark about Jewish crime).

Jews control Congress (by the Jewish lobby which bribes US politicians in order to subvert America and America is occupied land just like Palestine is.

Mossad is killing our FBI, police and military that don't go along with the Jewish agenda and the Congress is looking the other way).

Jews control the White House (the US president is reduced to a servant for the Jews), Jews control policy and courts (and we have no justice for the American citizen. Our resources are sent to Israel. Israel is America's parasite).

Jews control Homeland Security, and this awful agency is planning to kill millions of Americans. They have set up FEMA camps and Fusion Centers to harm Americans, Jews control the US military (and uses it to destroy the world while killing America's youth), Jews control corporations (medical and drug and various other corporations are destroying lives).

Jews control education (which has perverted our youth and destroyed their abilities), Jews control culture (that has caused degradation of our once beautiful society which was built by the Christian majority).

How long is it going to take some great man like President Putin to take control of America, save it from the Jewish grip and make America free again?

Thank you for supporting our dear Brother Nathanael who is exposing the Jewish menace that can free humanity.

God bless you for helping Brother Nathanael to continue this important work.

Exposing the worst criminal syndicate is the highest form of good anyone can do on behalf of humanity and the planet.

Brother Nathanel and EVERYONE else (especially Hoff),

I know this is off topic, but can anyone please tell me which is the best book on the Russian Revolution?

I mean, a book that tells it as it actually was, and not some cauterized version from the Jews like Richard Pipes or Orlando Figes.

Speaking of Figes, take a look at this; you will not believe the length which a Jew is prepared to go in order to smear others and hide his hand. Unbelievable!

To much TV causes thought control.

When you talk to an average person about current issues, they always get their opinions from the TV.

Just don't engage in their web of confusion, but say: "It's the Jews."

Then you don't have to waste your breath and you discuss reality or the conversation will be over.

Steven Rowlandson

May 24, 2013 @ 5:12 am

Yes Jews control America, Canada, Israel and much of Europe directly and indirectly parts of the rest of the world through the media, banking, freemasonry and business.

Those that recognize this truth are either in on it or they oppose it and are branded conspiracy theorists , racists or nazis that want to kill six million jews.

The bulk of the population refuse to hear, see or speak the truth due to their fear of attracting unwanted attention to themselves that might endanger their social standing, pay checks, or their lives.

They fear suffering the same fate as Gerald Bull or JFK at the hands of the Mossad or other jew controlled assassins. The invincible ignorance of the sheeple might please the jewish wolves but it will not save the sheeple.

When the shepherd is a wolf the flock is only so much meat and nothing more. It is doubtful that the sheeple will ever understand this and that will be their downfall.

The best work on the Russian Revolution that I have read is "Under The Sign Of The Scorpion, The Rise and Fall of The Soviet Empire," by Juri Lina, an Estonian born journalist.

The Jew Conspiracy Explained Easy — by Hoff

The highest worldly power you can get is to control the state. Control the state and you can kill anyone you want — with impunity — you can kill anyone you want and nobody can take you to court.

What are you if you can kill anyone with impunity? You are God on earth — and that is what the Jews want above anything else — impunity, to be God on earth.

The author of the book WORLD HOAX had a profound, a deep understanding how the Jews think and what the Jews want above everything — to control your state.

The whole book is written in that context, and this is why I Hoff, rank the book the best way to start to understand the Jew conspiracy. I have read at least 80 books about the Jew conspiracy.

And if I had found it early when I woke up to the conspiracy, it would have saved me tons of books to get the truth about the Jew conspiracy.

World Hoax - the whole book in full text:

Constitutional Law attorney Edgar Steele was sent to jail on false charges that he was conspiring to kill his wife Cindy Steele and her mother which Cindy denied and fought back.

Lynn Stewart, another American attorney, is also sitting in jail with terminal cancer on charges that she represented a Muslim client, as if a Muslim person cannot have legal representation according to 'Jewish law and Jewish court system' in America.

Countless White Americans and few Black Americans have been arrested on false charges, and some killed including military and police.

Organized Jewry also go after anyone who criticizes Jewry's crimes or control of America, and their livelihood is taken away by the ruthless tribal Jews who work together as one big family to punish people.

Black musician Lauren Hill criticized the corruption of the music industry run by Jewry, and she was punished for 'not paying taxes' and the judge also ordered a psychiatric evaluation on her.

There is no law in the US for the Income Tax Department to collect money from Americans, yet Jewry who run the American government and this illegal Income Tax Department punish people at will.

Any criticism of Jews for their crimes is sufficient reason to face all kinds of trumped up legal charges including criminal charges.

This dire situation in America is Jewish tyranny because Jews control America.

Just for a moment think about the life of a Palestinian including that of children. They have no life. And who are the tyrants in Palestine and Gaza?

The same ruthless tribe that controls America. What is the Jewish-controlled UN doing about it? Not much at all.

Most parts of the world has also been taken over by Jewry. In England they have English names. In Sweden they will have those names, and in Russia or Venezuela it would be the same thing. Also, they convert to Christianity to fool people.

There is a Jew pretending to be Catholic in Venezuela trying to deceive people and become the next president to help the Jewish bankers and their New World Order. This Jewish man has the same name as late President Chavez's son in law Capriles.

In Russia the Jewish mafia had Russian names, and so Russians get the bad name for their Jewish crimes.

After Netanyahu left Russia recently following an unsuccessful trip to manipulate President Putin, there were explosions in Moscow that even killed few people. Now who committed this terror? You will easily figure it out if you know few events in the history.

Study the actions of Jewry after they invaded Palestine: countless bus bombings in Palestine; bombing of King David Hotel in Jerusalem; the Levon Affair; bombing of USS Liberty; as well as 9/11, London bombings, bombings in Mumbai, etc.

As you can see the Jewry terror includes targeted assassinations all across the globe. So are their other practices such as intimidation, spread of false propaganda about individuals and organizations and countries to defame them.

In India they have been trying to destroy actor Sanjay Dutt for decades. Sanjay is the son of legendary Bollywood stars Sunil and Nargis Dutt. Sanjay also has a production company. Jewry has had their eye on Bollywood for a long time and they see Sanjay as a threat.

Sanjay is also a no nonsense man who has courage and physical strength (qualities feared by Jewry). Sanjay's mother Nargis is also Muslim and Jewry hates Muslims.

When Jewry perceives some one as a threat for any number of reasons what do they do? They try to ruin that person in all different ways. They tried by bribing local politicians, police and other agencies went after Sanjay for 'possessing illegal drugs'.

The authorities invaded his home while his father Sunil Dutt was alive for countless searches creating hell. Rajendra Kumar, another legendary Bollywood star who was a good friend of Sunil Dutt, made it a point to be there during these searches to protect Sunil and Sanjay from brutality.

This was not enough for Jewry so they went after Sanjay even in a worse way following Mumbai bombing (which Mossad carried out in India). They charged Sanjay for buying some "illegal weapons" from "terrorists" who carried out the Mumbai bombing.

This whole thing was a set up to keep him in prison so he will not be there to compete with Jewry and/or to provide any opposition to Jewry's exploitation of the Indian film industry. He has been sentenced to 5 years in prison for trumped up charges after trapping him.

Then we have the story of another legendary movie star Dilip Kumar.

Dilip Kumar is a Bollywood star who has always considered himself as Indian although he also loves Pakistan and its people and he is a very kind and gentle person. He has won the hearts of fans all over the world (including myself) after seeing him in such movies as Kohinoor, Andaz, Tarana, Mughal-E-Azam and others.

He has received an award from the the government of Pakistan for the work he has done to bring about peace between India and Pakistan. Some Indian authorities have been trying to get him to return this award to Pakistan which he declined. Now who could be instrumental in such activities of meddling? Guess!

Dilip Kumar is also Muslim.

The usual suspects did not stop there. He was called a "Pakistani spy." Being a sensitive and softhearted person Dilip was affected by these. More recently a law suit has been filed by two of his brothers asking funds to purchase a home.

If you ask former Green Beret Joe Cortina (who criticizes Jewry for their crimes and who also writes about them in his blog:mynameisjoecortina) he will tell you what happened to his relationship with his family and friends.

Jewry also preyed upon another legendary star in America: Mel Gibson another favorite of mine. They caused a lot of grief to this talented actor and director. They were very jealous of him for a long time, started hating him after he made the movie about Jesus Christ.

They were instrumental in setting him up with a Russian Jewish woman in order to break up his marriage to his lovely wife: Robbin (which I did not want to happen).

I have my own personal experiences with Jewry which I preserve for another time.

Church of Scotland General Assembly Slams Israeli Apartheid and Land Theft

"The Inheritance of Abraham? A report on the 'promised land' is a ground-breaking report by the Church and Society Council that was overwhelmingly agreed this weekend at the annual General Assembly of the Church of Scotland in Edinburgh.

"In adopting the report with only a handful of votes for remitting it, the Church of Scotland rejects the use of the Hebrew Bible to 'sanction...occupation of land which involved the displacement of some 750,000 people living there'."

Friends,

Thank you for keeping Brother Nathanael in your prayers at all times.

I love this article he did about Jews controlling America. As usual he has done a great job in naming names of Jews which no one can discredit because it is factual.

Thank you and God bless for appreciating Brother Nathanael for this important work he does and for supporting him with much needed financial support.

If you can afford please be very generous.

Hello and thanks +BN and all.

Could a day begin any worse than to step on to a landmine? Yes it can and it will, as +BN's caption above says. Unlike landmines, You can't miss Kagan, Feinstein, Schumer nor Foxman, because they are after you, before you.

No reason to underestimate the damage landmines can cause, but they are defender's weapon, a poor man's weapon against rich imperialists.

Around here it was on a daily basis guiltifying media propaganda with African kids who had lost their leg, "Your fault," until our leaders ratified the international landmine ban. Haven't seen the videos ever since, although I believe there still are some landmines hidden in African soil.

It's not that we had to replace the mine system with "peaceful and democratic" cluster bomb system that was benefit worth for hundred millions for military complexes, but I'm feeling that my country became a useful tool and fool and hooker for imperialist Zionism.

JEWS CONTROL MEDIA
Definitely YES.

What about Rupert Murdoch?

Even in South Africa.

The Newspaper Reporters SOIL THEMSELVES to do any NEGATIVE story on the WAR Mongering JEWS.
According to the South African Newspaper Reporters the GENOCIDE of the Palestine People never happened.

Are the South African Newspaper Reporters going to get preferential treatment in the JEW New World Order Communist Dictatorship?
Maybe a NWO 2 seater electric car.

What about WHO controls HAARP?

What about WHO controls the USA Nuclear Bombs?

What about WHO controls the FOOD?

Phillip, another author you can look up is Nobel Prize winner Alexandr Solshenitsyn. One of his best books is THE GULAG, an excellent critique of the USSR under Josef Stalin.

I have Estonian author Juri Lina's UNDER THE SIGN OF THE SCORPION. I've read it twice; and, yes, the details are quite gory and horrific.

And, Harriet, your posts are right on target.

Organized Jewry is also behind the murders of both JFK (1963) and RFK (1968) as well as the numerous false flags dating back to 1954. Their latest is the Boston Bombing, not long after Sandy Hook.

Your blogs are fantastic. You're among the elite bloggers when it comes to Organized Jewry, accompanied by another who has his own website - John De Nugent - who is currently running for Sheriff in Armstrong County, PA.

I hope you received my \$10 donation. I mailed it in a Get Well card last month; as in most cases, unsavory individuals often open such mail and steal whatever cash may be inside.

A more true statement couldn't be said! I've lost all my friends because I speak out all the time and they just disappear, never to speak to me again.

That's because the education system and the media and all the government work hand-in-glove with the various Jew organizations without any questions as to what they are told to do.

Ever since WW2, the Zionist Jews have gained the upper hand with the nation because

they were able to sell a lie called "The Holocaust" and the American public bought it. And it's because the U.S. has, that has made it easy for the Jew cabal to sell it to the rest of the world.

Oklahoma was recently devastated and there is suspicion that it was HAARP generated.

You said you liked that link I posted in the comment section of another article which I was not able to find. I love to post it again because this information needs to spread to more people or may be you will (if I cannot find it) if you don't mind and thank you.

Eileen K, like you wrote how many crimes? JFK, RFK murders, Sandy Hook and Boston Marathon.

Also countless explosions and bombings across the globe from Russia to India including the Mumbai Bombing to implicate Muslims to continue this war on terror.

What other lies are being perpetrated to start WWIII in addition to the lie that Assad has used chemical weapons and Iran has made nuclear bombs?

What can you expect from wicked people who have hijacked the US government and

America's military?

Of course God will have the final say, not warmongering Pastor John Hagee.

"There is nothing new in a government lying to their people to start a war.

Indeed because most people prefer living in peace to bloody and horrific death in war, any government that desires to initiate a war usually lies to their people to create the illusion that support for the war is the only possible choice they can make." — Mike Rivero

Real Jew News: The War On Terror Is A Jewish Hoax

<http://www.realjewnews.com/?p=200>

Thanks to Brother Nathanael for pointing out these things so well.

The mere knowledge that "the war on terror" is a Jewish hoax can free the Muslims from the Jewish onslaught which can happen in an instant.

The knowledge that Mumbai Bombing was a Mossad job and that Sanjay Dutt has been framed should save Sanjay from having to go to prison.

Brother Nathanael and the Real Jew News family are indeed happy to see Sanjay Dutt do what he is born to do: make movies and act in them like his two legendary parents.

Sanjay Dutt should be a free man because trumped up charges against him was another malicious orchestration by the Jews to exploit the Indian movie industry.

This knowledge should also clear the legendary actor: Dilip Kumar's name once and for all and that he is a well wisher for people in India and Pakistan and not a Pakistani spy.

Kapoor family and other prominent movie producers, directors, actors, musicians etc please take note.

We hope that Brother Nathanael's hard work will pay off even to save Indian Cinema from greedy and ruthless Jewry while also helping humanity everywhere (Muslims, Christians, Buddhists, Hindus, Sikhs etc) to be free from Jewish tyranny!

OBAMA is a PUPPET of the JEWS.

The JEW CRIMINAL MAFIA HAS HIJACKED America.

Earlier this year, President Obama pledged a 10-year military aid package to Israel for an additional \$40 billion, increasing the United States' annual grant aid from \$2.4 billion to \$3.1 billion.

The US government's unchecked support for Israel is seen as contributing to the brutality against Palestinians.

Dear BAB,

In France it is the same situation as in America with this great difference: there is no freedom of speech as in the US countries. There is a law la loi Gayssot which punishes hardly every people who dares say something against Jews or colored skin people.

There is a politico-social party "SOS Racism" which works hand by hand with Jewish and Muslim associations with the view to denouncing "racism and antisemitism" among French Catholic citizens in particular those who hold high positions in political movements.

The videos of Brother Nathanael are not available in France when clicking directly from "Real Jew News" site, but I can see them on Vimeo or on You Tube.

I could observe that in the French medias there are many Jewish reporters/speakers/interviewers.

An example of this: Michel Drucker, a very popular TV presentator, has two members of this family who work on TV. The shows presented by Michel Drucker are relaxing because he interviews actors of movies, singers, making retrospective of their careers and life. I watch it from time to time just to relax.

There is also Stephane Bern who makes very interesting programs, much more interesting than those of Michel Drucker, in particular programs dealing with French history and patrimoine which I appreciate particularly.

There are many other Jews working on French TV.

The subjects dealt daily on French TV news are generally: diversity, antisemitism, terrorism, holocaust, wars, homosexual weddings, and... to coronate... : suicides!

A well known intellectual Dominique Vienner has put an end to his life in front of 1500 people in Notre Dame de Paris; he was not Jew, but atheistic in despair because of the social and political situation of our country.

Another man killed himself in front of children in a kindergarden, and the list of these horrors is not exhausted as many killed themselves at their jobs in the factories/companies where they worked.

I have decided to stop watching TV political interviews dealing with these kind of subjects: it is nothing else than brainwashing, brainwashing, and brainwashing! How people could not get depressed and disgusted hearing same blablas?

In a press conference our President Hollande said he will present a project of a Global Economic European Government with a President as head of it.

I watched exceptionally the conference on the TV and I observed that nobody among the reporters asked him how and what steps he intends to undertake to create this government, it was as all were anesthetized or hypnotized!

Here we have, not as in America, much products bearing the label U. In supermarkets there are some parts/shelves which are reserved for kosher products under the supervision of the Rabbinate of Paris or of other Jewish Hassidic communities, and there are also shelves reserved for "hallal" products for Muslims.

There are some small shops which are completely kosher, but this exists where there is great concentration of Jewish population well organised as in Strasbourg.

But an amazing fact is that the package/envelop of "hallal" products is done by Jewish owners of the packaging! I have read this on the web but I don't know if this is true or not.

I prefer **to concentrate on the faith and to search about it. I am studying now the differences between Catholic Roman faith and Orthodox faith, thanks to the links given by Kirill, and I can say that I am going from surprise to surprise!

Thanks for the cheat sheet Br. Nathanael.

Yes try explaining objectively how Jews control things in kind, and not in hateful terms. You still get the BS response of "Are you anti-Semitic?" or "What do you have against Jews?" and the whole "persecution" bit too.

It sickens me that people will look at these commie butchers from Hell and treat them like "gods." Yes, Jews are worshipped in idiotic idolotrous displays ("Holocaust" museums, books, movies, protestantism, and many other expressions of Judaizing).

It's little wonder why Amerika is in the shape she's in and frankly its only going to get worse until Amerika seeks Christ's face and repents.

May Christ continue to bless your efforts abundantly Br. Nathanael. I will send my donation to you, as much as I can spare you.

May Christ God protect you by the intercessions of the Theotokos and Ever Virgin Mary, Saint Justin, and all the saints.

To Phillip Maiden

The best book on the "Russian" revolution is "Under the Sign of the Scorpion" by Juri Lina. A native Estonian, he fled to, and grew up in Sweden, thus the book (1994) is translated from Swedish.

The thing to remember about Russia is that the original Rus' (see wikipedia "Rus' People") were not Slavs, Turks or Mongols, etc. but were Scandinavians who built a kingdom centered on Novgorod.

The Primary Chronicle records that the Slavs invited the Rus' also known as Varangians, back into Russia to "rule over them and restore the peace."

Rurik and his two brothers came back with others, and they formed the ruling dynasty that lasted until the Jewish Poale Zion Khazars successfully cast down the Russian Empire. For centuries, the Czars were of partial Danish/German extraction.

Czar Nicolas II was a grandson of Alexander II who was a grandson of queen Louise of Prussia. Alexander I was queen Victoria's (UK) uncle and godfather. Kaiser Wilhelm II was also a grandson of Queen Victoria, and a cousin of Nicolas II's wife, queen Maud of Norway, queen Sophie of Greece, and the Queens of Spain and Romania. Also he was the cousin of King George V of UK.

The International Airport in Tel Aviv (Ben Gurion) was built by the British in 1936, but it was called Wilhelma after the nearby colony of German settlers. Ben Gurion was born in communist Poland with the name of "Grun," but like all the communist usurpers who invaded Palestine he gave himself a "Hebrew" name to keep the delusion going.

Every prime minister "Israel has ever had (or their parents) came from the territory of the former Soviet Union. And so it goes...

Stockholm.Faced by another night of terror at the hands of predominantly immigrant rioters, Swedes grown tired of the police's inability to put an end to the unrest took to the streets Friday night to defend their neighborhoods.

The vigilantes were described as a motley crew of homeowners and concerned citizens, as well as neo-Nazi activists and football hooligans.

In the Stockholm suburb of Tumba the police decided to abandon their earlier non-intervention policy as a large group of police officers rounded up and dispersed a group of vigilantes trying to fend off rioters.

The decision to round up vigilantes while, according to Stockholm Chief of Police Mats Löfving, "doing as little as possible" to stop rioters, met with a wave of protests in various social media and on the Internet. Representatives of some vigilante groups contacted Fria Tider to give their view of last night's events.

- The number of police officers on the streets is simply staggering. The police appear to have focused all their resources on stopping the Swedes, Fredrik Becklin, spokesman for the nationalist youth organization Nordisk Ungdom (Nordic Youth), said Friday night.

Agree, Juri Lina stuff is awesome.

What I had found difficult to understand is why this inter-related monarchy in Europe would go to war against each other.

However, once you understand the JEW factor, and how they infiltrate a given country, control the currency, world events, and ultimately the heads of state, then it makes sense that say a cousin A would allow their country A to attack another cousin B's country, then it all makes sense via political reverse engineering.

Hence the JEW Factor.

@Brother Nathanael and Real Jew News family!

This was yet another great post by Brother N.

This again stresses that the Zionist's are like ravenous parasites, who once eye their prey (Gentiles/Whites), will never let go of their host. It is funny how these Jews use to hide behind a facade while operating, but now because they are so powerful they are now so brazen.

I wonder how Chuck Hagel went from being a patriotic Vietnam Vet who opposed the Jewish lobby, to being a emasculated consort?

Can someone tell me how this happened? And Brother N., can you make a video and or article about this process? This would be quiet interesting to see how the Jewish apparatus pacifies its enemies so that I can predict this in the future.

God Bless.

Absolutely, Brother Nathanael!

And thank you Harriet for pointing that out about Edgar Steele.

We have his books and everything he said was going to conspire has. So they locked him up on false charges and threw away the key; that's what the Jewish crime network does.

I live in a largely Southern Baptist area in deep-south Louisiana. I was raised Southern Baptist, my grandfather devoted his life to our church.

But my father was a much deeper thinker than my grandfather and he never got friendly with any Jews. He would make subtle comments about certain politicians or businessmen that were Jews.

I always picked up on those subtle seeds and began to notice things as I grew older.

I had my own run-in so to speak with a Goldstein whom I thought was a friend in younger years. Lol!

Griff,

"I wonder how Chuck Hagel went from being a patriotic Vietnam Vet who opposed the Jewish lobby, to being a emasculated consort?"

=====

My advice is to realize the tentacles of Judaism go back 1000's of years? They convinced Pontius Pilate to allow Christ to be murdered.

Vietnam? What a joke. That was simply a geo-political chess game. There are some good documentaries on it.

Asia was Rothschild's agent SASSOON family turf, specializing in drugs. Watch the movie "BLOW."

The US was gutting their own dead soldiers bodies and smuggling drugs inside the corpses back into the US.

So the parents of these dead soldiers feel proud "they served their country" with some cheap medals and a flag over their coffins, doing what? Serving Satan? Think Hagel wasn't aware of this back then?

The Jews have had the USA as their Goonish Global Golem since Woodrow Wilson decided to engage the US in foreign entanglements, AFTER they were groomed to kill each other in the bogus Civil War.

If the US would quit being Israel's bitch and turned on these Luciferians — problem solved.

I am glad to hear that you are aware of Jewish behavior. Cindy Steele is making a movie about Edgar. I will try to post the link when I locate it.

What happened to Edgar and Cindy Steele is heartbreaking.

Edgar Steele became a threat to the Jews. They feared him. Edgar was gathering facts to expose the prostitution industry of Jewry using White Eastern European girls which they were not going to allow so they framed him.

General Patton was also planning to expose Jewry and see what happened to him:

The Jews have also taken over the field of medicine and turned hospitals and long-term care facilities into gulags, where torture takes place.

Didn't you wonder why we have among the highest infant mortality rate among countries with electricity and running water?

Or why the cancer lifetime risk figures as early as 1999 were: one out of every three women and one out of two men? (this statistic is still used by insurance underwriters). Do you have any idea how much pure profit is in that?

The Jews run the FDA (a former Monsanto VP is its head). The Jews own Big Pharma, which in turn solely determines the medical school curriculum in the USA (since about 1912), as well as the content of medical journal publications.

From JB Campbell

"Who's a Jew?

There are plenty of Jews who are obviously Jews. Anyone who considers himself/herself to be Jewish is a Jew. Anyone who doesn't, isn't.

Judaism comes down to behavior more than anything. That will up to us to decide, as Hermann Goering famously said. There are enough obvious Jews to deal with for the rest of our lives, however long that will be.

Anyone who fights for the Jews is the same as a Jew. The Jews call them shabat goyim. We can call them Tibbets goyim. Same thing and there's nothing worse or more dangerous, as Paul Tibbets proved one Sunday August morning over Hiroshima, followed by his fellow American flyboy, Charlie Sweeney, three days later.

Being a good American requires a great deal of humility. This has never come easily to Americans. That's going to change, of course.

What's coming will be very humiliating for us all. But the freedom fighter needs to come to terms with the real America, the one that has wiped out millions of normal people all around the world, and reduced us Americans to operatives of the Jews since 1917.

That was the year that America put Russia under Jewish control and sent our stupid men to France to begin killing Germans for Judaism."

The American Bulletin, Rabbi S. Wise, May 5, 1935
"Some call it Marxism — I call it Judaism."

Robert Wilton, a long time Russia correspondent for the London Times, said in his book *The Last Days of the Romanovs*:

"According to the data furnished by the Soviet press, out of 556 important functionaries of the Bolshevik State there were in 1918-1919: 17 Russians, 2 Ukrainians, 11 Armenians, 35 Lets, 15 Germans, 1 Hungarian, 10 Georgians, 2 Poles, 2 Finns, 1 Karaim, 457 Jews.

As the decades past by—after the fateful year 1917—Judaized Khazars kept a firm hand on the helm of the government in the occupied land of Russia. In due time they built a bureaucracy to their heart's desire."

A Program for the Jews and Humanity, Rabbi Harry Waton, p. 143-144:

"The Communist soul is the soul of Judaism. Hence it follows that, just as in the Russian revolution the triumph of Communism was the triumph of Judaism, so also in the triumph of fascism will triumph Judaism."

The American Hebrew September 10, 1920:

"The Bolshevik revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world.

What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction, and by Jewish planning, shall also, through the same Jewish mental and physical forces, become a reality all over the world."

S.P. Melgounov, p. 164-166; *The Secret Powers Behind Revolution*, by Vicomte Leon De Poncins, p. 151-153

"The Red Terror became so wide-spread that it is impossible to give here all the details of the principal means employed by the [Jewish] Cheka(s) to master resistance; one of the most important is that of hostages, taken among all social classes.

"These are held responsible for any anti-Bolshevist movements (revolts, the White Army, strikes, refusal of a village to give its harvest etc.) and are immediately executed. Thus, for the assassination of the Jew Ouritzky, member of the Extraordinary Commission of Petrograd, several thousands of them were put to death, and many of these unfortunate men and women suffered before death various tortures inflicted by cold-blooded cruelty in the prisons of the Cheka.

"I have in front of me photographs taken at Kharkoff, in the presence of the Allied Missions, immediately after the Reds had abandoned the town; they consist of a series of ghastly reproductions such as: Bodies of three workmen taken as hostages from a factory which went on strike. One had his eyes burnt, his lips and nose cut off; the other two had their hands cut off.

The bodies of hostages, S. Afaniasouk and P. Prokpovitch, small landed proprietors, who were scalped by their executioners; S. Afaniasouk shows numerous burns caused by a white hot sword blade.

The body of M. Bobroff, a former officer, who had his tongue and one hand cut off and the skin torn off from his left leg. Human skin torn from the hands of several victims by means of a metallic comb. This sinister find was the result of a careful inspection of the cellar of the Extraordinary Commission of Kharkoff.

The retired general Pontiafa, a hostage who had the skin of his right hand torn off and the genital parts mutilated. Mutilated bodies of women hostages: S. Ivanovna, owner of a drapery business, Mme. A.L. Carolshaja, wife of a colonel, Mmo. Khlopova, a property owner. They had their breasts slit and emptied and the genital parts burnt and having trace of coal.

Bodies of four peasant hostages, Bondarenko, Pookhikle, Sevenetry, and Sidorfehouk, with atrociously mutilated faces, the genital parts having been operated upon by Chinese torturers in a manner unknown to European doctors in whose opinion the agony caused to the victims must have been dreadful.

It is impossible to enumerate all the forms of savagery which the Red Terror took. A volume would not contain them. The Cheka of Kharkoff, for example, in which Saenko operated, had the specialty of scalping victims and taking off the skin of their hands as one takes off a glove...

At Voronege the victims were shut up naked in a barrel studded with nails which was then rolled about. Their foreheads were branded with a red hot iron five pointed star. At Tsaritsin and at Kamishin their bones were sawed...

At Keif the victim was shut up in a chest containing decomposing corpses; after firing shots above his head his torturers told him that he would be buried alive. The chest was buried and opened again half an hour later when the interrogation of the victim was proceeded with. The scene was repeated several times over. It is not surprising that many victims went mad."

A Program for the Jews and Humanity, Rabbi Harry Waton, p. 138:

"The Communists are against religion (Christianity), and they seek to destroy religion; yet, when we look deeper into the nature of Communism, we see that it is essential nothing else than a religion (Judaism)."

A Program for the Jews and Humanity, by Rabbi Harry Waton, p. 148:

"The Jews welcome this revolution in the Christian world, and the Jews should show an example. It is not an accident that Judaism gave birth to Marxism, and it is not an accident that the Jews readily took up Marxism: all this was in perfect accord with the progress of Judaism and the Jews."

The Jew, December 1925, Zinobit:

"We have exterminated the property owners in Russia. We are going to do the same thing in Europe and America."

Defender Magazine, October 1933:

"The Jews were now free to indulge in their most fervent fantasies of mass murder of helpless victims. Christians were dragged from their beds, tortured and killed. Some were actually sliced to pieces, bit by bit, while others were branded with hot irons, their eyes poked out to induce unbearable pain.

Others were placed in boxes with only their heads, hands and legs sticking out. Then hungry rats were placed in the boxes to gnaw upon their bodies. Some were nailed to the ceiling by their fingers or by their feet, and left hanging until they died of exhaustion. Others were chained to the floor and left hanging until they died of exhaustion.

Others were chained to the floor and hot lead poured into their mouths. Many were tied to horses and dragged through the streets of the city, while Jewish mobs attacked them with rocks and kicked them to death. Christian mothers were taken to the public square and their babies snatched from their arms.

A red Jewish terrorist would take the baby, hold it by the feet, head downward and demand that the Christian mother deny Christ. If she would not, he would toss the baby into the air, and another member of the mob would rush forward and catch it on the tip of his bayonet.

Pregnant Christian women were chained to trees and their babies cut out of their bodies.

There were many places of public execution in Russia during the days of the revolution, one of which was described by the American Rohrbach Commission: 'The whole cement floor of the execution hall of the Jewish Cheka of Kiev was flooded with blood; it formed a level of several inches. It was a horrible mixture of blood, brains and pieces of skull.

Dear Real Jew News Family -

I am the ONLY ONE that NAMES the JEW Names!

Alex Jones, Gerald Celente, Charlie McGrath, and ALL the rest of the eye-wash pros, FEAR to use the Jew word.

Not me. For if we DON'T use the JEW WORD we get nowhere.

The Jews MUST be EXPOSED as the CULPRITS who have DESTROYED America in every aspect of America's infrastructure, culture, and economy.

I NAME THE NAMES. I NAME the JEW NAMES. I am NOT Afraid of Christ-Killing Jews!

David Brooks is the most popular columnist of the most influential newspaper on Earth, The New York Times.

Just after the release of a book called The Chosen, by James Karabel, Brooks wrote a column about it titled, "The Chosen: Getting In." In the first paragraph he writes these words:

...A woman came up to me after one of my book talks and said, "You realize what you're talking about is the Jews taking over America."

My eyes bugged out, but then I realized that she was Jewish and she knew I was, too, and between us we could acknowledge there's a lot of truth in that statement.

For the Jews were the vanguard of a social movement that over the course of the 20th century transformed the American university system and the nature of the American elite.

Excerpt from the first chapter of: The Zionist Conspiracy: The Ultimate Racist Threat to America and All Mankind by Dr. David Duke.

No one does it better than Brother Nathanael!

The Jewish problem we face in America has destroyed the country I love.

The precious human being we call Brother Nathanael has the answer. He has provided the Fact Sheet that says Jews control America.

Yes he is right. Jews control money (Jews also have stolen our money in addition to perpetrating other crimes on Americans as well as on other countries and their citizens), Jews control media (and the Jew controlled media lies to Americans to keep them in the dark about Jewish crime).

Jews control Congress (by the Jewish lobby which bribes US politicians in order to subvert America and America is occupied land just like Palestine is.

Mossad is killing our FBI, police and military that don't go along with the Jewish agenda and the Congress is looking the other way).

Jews control the White House (the US president is reduced to a servant for the Jews), Jews control policy and courts (and we have no justice for the American citizen. Our resources are sent to Israel. Israel is America's parasite).

Jews control Homeland Security, and this awful agency is planning to kill millions of Americans. They have set up FEMA camps and Fusion Centers to harm Americans, Jews control the US military (and uses it to destroy the world while killing America's youth), Jews control corporations (medical and drug and various other corporations are destroying lives).

Jews control education (which has perverted our youth and destroyed their abilities), Jews control culture (that has caused degradation of our once beautiful society which was built by the Christian majority).

How long is it going to take some great man like President Putin to take control of America, save it from the Jewish grip and make America free again?

Thank you for supporting our dear Brother Nathanael who is exposing the Jewish menace that can free humanity.

God bless you for helping Brother Nathanael to continue this important work.

Exposing the worst criminal syndicate is the highest form of good anyone can do on behalf of humanity and the planet.

This seems to indeed be the case if one looks at the actual French foreign policy.

Brother Nathanel and EVERYONE else (especially Hoff),

I know this is off topic, but can anyone please tell me which is the best book on the Russian Revolution?

I mean, a book that tells it as it actually was, and not some cauterized version from the Jews like Richard Pipes or Orlando Figes.

Speaking of Figes, take a look at this; you will not believe the length which a Jew is prepared to go in order to smear others and hide his hand. Unbelievable!

To much TV causes thought control.

When you talk to an average person about current issues, they always get their opinions from the TV.

Just don't engage in their web of confusion, but say: "It's the Jews."

Then you don't have to waste your breath and you discuss reality or the conversation will be over.

Yes Jews control America, Canada, Israel and much of Europe directly and indirectly.

Yes Jews control America, Canada, Israel and much of Europe directly and indirectly parts of the rest of the world through the media, banking, freemasonry and business.

Those that recognize this truth are either in on it or they oppose it and are branded conspiracy theorists , racists or nazis that want to kill six million jews.

The bulk of the population refuse to hear, see or speak the truth due to their fear of attracting unwanted attention to themselves that might endanger their social standing, pay checks, or their lives.

They fear suffering the same fate as Gerald Bull or JFK at the hands of the Mossad or other jew controlled assassins. The invincible ignorance of the sheeple might please the jewish wolves but it will not save the sheeple.

When the shepherd is a wolf the flock is only so much meat and nothing more. It is doubtful that the sheeple will ever understand this and that will be their downfall.

The best work on the Russian Revolution that I have read is "Under The Sign Of The Scorpion, The Rise and Fall of The Soviet Empire," by Juri Lina, an Estonian born journalist.
